

TPC-PCE
TRAIN POTENTIAL, PROMOTE SKILLS

ANNUAL REPORT 2019-20

Introduction

The Training and Placement Cell is an integral part of the PCE Institution. The PCE management is fully invested in providing sound infrastructure and human resources to maintain the Training and Placement Cell and the resulting opportunities the cell provides to students of the College. The Placement Cell's primary objective is to provide training and placements to college students. Various activities take place throughout the academic year in the college. Students are motivated to take the initiative to develop their attitude, soft skills and are given the opportunity to develop technical skills alongside analytical capabilities. The Training and Placement Cell aims to expose students to the nature of the corporate world therefore providing insight to their future professional careers.

About us

The **Training and Placement Committee** of **Pillai College of Engineering** handles campus placement of the graduating students of Engineering. TPC provides complete support to the visiting companies at every stage of placement process. Arrangements for Pre-Placement Talks, Written Tests, Interviews and Group Discussions are made as per the requirement of the companies. **Pre-placement training** is given based on their core subject followed by **aptitude training**. The objective of TPC is to facilitate the process of placement and ensure that each eligible student get opportunity in the industries. We organize **technical events** and **motivational talks** to provide a platform for the budding engineers. We conduct **awareness programs** for the students in the form of seminars and conferences in association with institution and corporate.

MAHA ENTREPRENEUR SUMMIT 2019

INSPIRIA

Date: **October 12, 2019**

It was a full day event conducted by the **Training and Placement Committee** of **Pillai College of Engineering**. This event was conducted to encourage the students to think, learn and succeed for holistic **well-being** and enhance their **cognitive** processing. As per event schedule, the inauguration of the event was conducted by lighting of the lamp and Saraswati Vandana. The first speaker of the event **Mr. Yogesh Chabria** unfolded his journey in front of students. How a kid who used to sell his toys to others shared his **life changing experiences** with others who needed guidance. The second speaker of the event **Mr. Maruti Pawar**, shared his story where, from being an agricultural background, to helper, to being an owner of a purely technical domain which motivated a lot of start-ups. Next speaker of the event was **Mr. Sameer Narad**. He has shown to the world how one can do anything just by the way one thinks. He shared with us the secret of using this **subconscious power**. It was a life changing event, where students learnt a lot. After the event the mindset of every student to achieve their dreams and goals in life, and also a **new perspective** towards life. The event not only helped students to discover themselves but also led them to a new path of success.

PRESENTATION FOR NAAC VISIT

Date: December 5, 2019

The NAAC team visited our institution for a day in the month of December. **(NAAC) The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL** conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities or other recognised institutions to derive an understanding of the '**Quality Status**' of the institution. After successful assessment the accreditation is given to the institution based on the quality of infrastructure, education, facilities, faculties there. **NAAC accreditation for colleges** is an integral part of the functioning of higher education institutions in India. On this account, **TPC-PCE** had conducted an internship drive brought by **E-Keeda** for the students. Our committee gave a presentation about our functionality in the advancement of the institution and our contribution in the placement process, internship drives, etc. The NAAC visit was successfully conducted by our peers and our institution became **NAAC A+ accredited institution**.

MEGA JOB FAIR

Date: February 1, 2020

On the occasion of **50 years** of Mahatma Education Society, a job fair was conducted in the college. It was conducted in association with the PCACS **placement team**. Students from all the departments **PCE, PCACS, PIMSR, PICA** attended the job fair. There were in all **800+ students** who attended the job fair. The companies were called on the basis of the discussion with the alumni. Almost **50+ companies** came for the recruitment. To accommodate the **HR** in the placement, different sections were built in the **quad area** of the college.

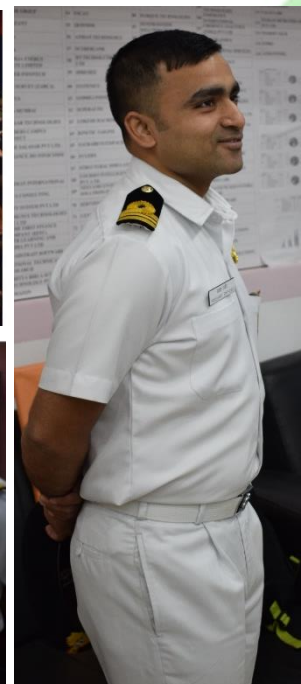

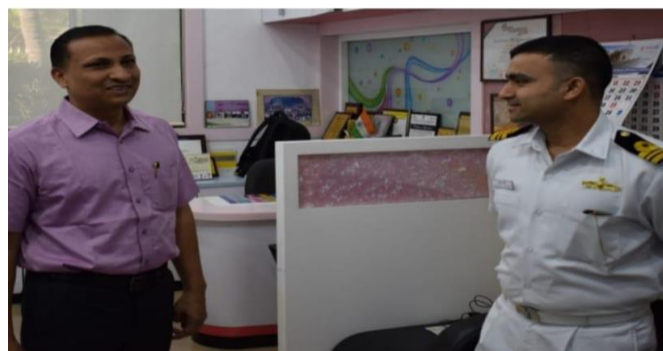

INDIAN NAVY SEMINAR

Date: March 13, 2020

Indian Navy Seminar was conducted by the **Training and Placement Committee** of **Pillai College of Engineering** on the **13th of March 2020**. The keynote speaker at the seminar was **Lieut. Prashant Rathore**. The seminar started with a short video about the Indian Navy which was coupled with **Lieut. Prashant Rathore's** experience at the Indian Navy. The seminar aspired to familiarize students chiefly about the executive departments where **Engineers** can apply in the Indian Navy through **technical domains**. The seminar helped students to understand the lives of officers and their families, facilities provided by the Navy, and the lifestyle of officers on the board. **Women empowerment** and diverse opportunities for women to serve the Indian Navy was discussed in detail at the seminar. Lieut. Prashant Rathore shed some light on the detailed recruitment process, packages, and **Rank structure** at the Indian Navy. More than **600 students** attended the session highly profited. In conclusion, a short film about the Indian Navy was presented after which our TPO **Dr. Prashant S Lokhande** appreciated the efforts of **Lieut. Prashant Rathore** and the Indian Navy.

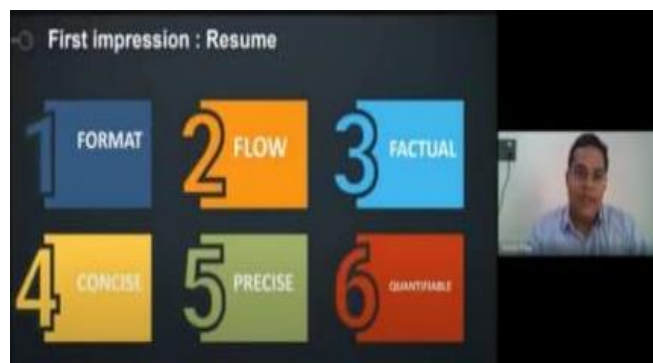

CAMPUS TO CORPORATE

Date: May 24, 2020

The webinar was organized by TPC-PCE under the guidance of Placement Officer **Dr. Prashant S Lokhande**. The objective of this event was to make the students understand the **process of the recruitment** to the journey in the corporate sector. The speaker **K.S. Anish Pillai** commenced this webinar with discussion of the first impressions which were lined up as **Profile, Interviews, Joining and journey and Exit**. While speaking over profile he covered **Resume building** mentioning the 6 main characters with respect to corporate needs and also emphasized upon creating a profile on **LinkedIn**. He then explained the **etiquettes** of the Interview by showing a picture and highlighting necessary points. He also highlighted how one should mould themselves to sustain in the corporate field. Exit part was then explained. He also shared what is **CTC** and how it varies with respect to companies. Why having a mentor is very important was stated. He then highlighted **Covid's impact on corporates**. The webinar ended with a vote of thanks and a question & answer session. This event helped students to understand the framework of **campus to the culture of the corporate efficiently**.

PLACEMENTS

TPC-PCE assists in conducting various **placement** drives throughout the year. Many companies visit our college during the placement drives. Before any company visits our campus, our committee manages the **pre-requisites** of the company such as looking after **system requirements** and all the **logistics** required during the placement process. Our volunteers actively manage all the students attending the placement drive and helping them get ready with their **documents** in the **proper format**. On the day of placement, our team communicates with the HR and helps in smooth conduction of the drive. The companies which had visited our campus throughout the year are **Actotrend, Infosys, L & T Infotech, Hexaware, GEP, Ugam Solutions, Jaro Education, CapGemini, Dure Technologies Pvt Ltd, Ingram Micro, Neosoft, Sutherland and Wipro.**
